## Relevant Work Experience

### **2018      Student assistant at Verdens Skove**

Tasks: Collect, analyze and present data for Forest products-based value chains, and other forest related activities. Develop, update and translate Verdens Skove international websites [www.forestsoftheworld.org](http://www.forestsoftheworld.org) and [www.bosquesdelmundo.org](http://www.bosquesdelmundo.org). Contribute to fund applications and translate Verdens Skove monitoring system to English (from Spanish). Contribute to develop, collect and process information in relation to reporting and reviewing Verdens Skove's work, particularly the mid-term evaluation of the organization's strategy. Ad hoc tasks, sparring and contributing with ideas for new projects.

### **2018      Student Consultant at 180 Degrees Consulting**

Tasks: Participate in workshops with professional consultants from PA Consulting Group and Implement Consulting Group to learn about consulting and the sector and work on a case related to helping an NGO maximize its revenue through new funding opportunities.

- 2016-2018      Student teaching assistant for the Quantitative Methods course at Roskilde University**  
 Tasks: Design assignments in quantitative methods and conduct exercise-based lectures for bachelor students where we discuss the assignments and how to use the different statistical methods explained in class.
- 2017            Student Assistant for the Institute of Society and Business at Roskilde University**  
 Tasks: Perform a survey for the institute related to the employment in the Danish job market of recent graduates.
- 2015-2017      Basketball Coach at SISU Basketball**

#### Volunteering work

- 2017-2018      Vice-chairman for the Study Board in International Studies, Global Studies and International Development Studies at RUC**  
 Tasks: Discussing content of the courses approving optional courses and evaluating the different subjects.
- 2017-2018      Volunteer at Afrika Kontakt- Fisheries group**  
 Tasks: Document injustices happening to small fishermen around the world through the <http://justicemapping.org/> website in order for Afrika kontakt to be able to use it as a lobbying tool. At the moment, we are also applying for funding for a new project starting in autumn 2018.
- 2016-2017      Humanity in Action Senior Fellow at Humanity in Action Denmark**  
*Summer Academy: A new Normal in Europe? Reaction to a Continent in Crisis.*  
 Attended lectures on a variety of topics based on politics, economics and human rights. After the program, I have participated in managing some of Humanity in Action's activities in Dk.
- 2016-2017      Volunteer at Oxfam IBIS Latin America group**  
 Tasks: Assisting in different events and campaigns relating to Latin America.
- 2014-2017      Member of the Academic Committee for the International Bachelor study program in Social Science (SIB)**  
 Tasks: Administrative tasks to contribute to a well-functioning academic environment as well as acting as a contact between the students, the administration and the professors.
- 2015-2016      Mentor at RUC**  
 Tasks: Introducing new international students to Roskilde University.
- 2015-2016      International Club RUC Chair member**  
 Tasks: Preparing events and different social activities for international students, counseling and assistance with dealing with the administration at RUC, organizing an introduction period before the semester start for international students.

#### Other work experience

- 2016            Sales assistant at Kvickly Hyrdehøj**
- 2013- 2014      Attendant at Shell Tankstation**
